Dear Mr. Broadway:

The Arkansas Department of Environmental Quality (ADEQ) has updated the list of parties who are authorized to be onsite unaccompanied at Cedar Chemical Company in Helena, Arkansas. Please see the attached list of photos and names dated May 7, 2008. Two identical lists have been provided so that you will have one at your office and can send the other to the security personnel onsite at Cedar Chemical Company. Please be sure the onsite security personnel are aware that they are not to admit anyone other than Gary Hill onsite unless accompanied by one of these individuals.

Should you have any questions about this request, please contact me at 501-682-0831.

Sincerely,
